In an appeal directed to the women of the nation, Doris Day, lovely singing star of screen and radio, urged that "women in every community where V. F. W. Posts are located help make this year's Buddy Poppy campaign the biggest in history by offering their assistance." The 1950 sale will be conducted in Albany May 26-30, according to Robert Dalton, Buddy Poppy chairman, Albany Post No. 2658, V. F. W.

## BUDDY POPPY CAMPAIGN ORIGINATED BY V. F. W.

In announcing that the 1950 Buddy Poppy sale would be conducted here May 26-30, Commander Edward Chiccu of Albany Post No. 2658, Veterans of Foreign Wars today pointed out that the little red poppies which each May are worn by patriotic Americans have an interesting history.

Chiccu said the idea of selling poppies to the American public to support a national welfare program was originated by the V. F. W. in 1922. It was the first veteran organization to promote a national poppy campaign.

"The idea took root," Chiccu said, "when Madam Guerin of France, inspired by the symbolic beauty of the poppies of Flanders, sought the co-operation of the V.F.W. in selling poppies made in France to aid disabled and needy war veterans."

The idea has rested well with both the Veterans of Foreign Wars and the American people.

In 1923, General Frank T. Heins, director of the U. S. Veterans' Bureau, endorsed the plan. The V. F. W. established a workshop in Pittsburgh, Pa., which was staffed by disabled veterans. They made the poppies and were the originators of the term "Buddy Poppy." They coined the name while working together fashioning the poppies.

The following year, Chiccu said, the name was registered with the U. S. Patent Office. The patent guarantees that all Buddy Poppies are genuine products made by disabled, needy veterans and, moreover, grants exclusive use of the term "Buddy Poppy" to the V.F. W. No other organization, firm or individual may make legal use of the name "Buddy Poppy."

"Funds raised from the annual sale of Buddy Poppies are used exclusively for veteran welfare programs. The scope and variety of these programs has drawn warm praise from Americans in all walks of life," he said.

Exploring Scout Post No. 212, sponsored by Albany Eagles, today scheduled a whist party for 8 p.m. Friday, May 26 at the Marin School. Proceeds from the party will go for the Scouts traveling fund.

A door prize will be awarded. Admission is a 50-cent donation.

## M'MAHON RETAINS HEALTH POST

### Excerpts From The Avenues

By GENE EPLER

Some complain over the habits of pigeons, others about the bees, but Mrs. Roland R. Grisham, of 951 Stannage, had her troubles over a certain blackbird who had terrorized the neighborhood for days.

She phoned the police that she has been attacked by a "vicious" blackbird that had pecked at her head, drawing blood. Police immediately sent Humane Officer Melvin Meyer to the scene equipped with a BB gun. Several minutes and mishits later, the pest met death head-on in a lethal BB shot from Meyer's gun. Police said blackbirds often pluck hair for their nests from wherever hair is available.

The Albany Street Dept. crew has been busy for the past week repainting the cross walks around town. Something new has been added. They glow in the dark. Most of the side streets are receiving a new top.

Minnie Lou Eakin, Albany contractor and civic leader, is the only local candidate competing for a seat on the Alameda County Democratic Central Committee June 6.

Dr. Vern Green, local chiropractor, will be one of the featured speakers during the annual convention of the Calif. Chiropractic Ass'n. in Oakland next week. Albany High School made its TV debut last Sunday from "Top of the Mark" over KPBC. The singers appeared on the Del County show under direction of Stephen Lehmer.

Mr. and Mrs. Everett Buck (Anne Schodler of Chicago) are "at home" this week at 1614 University Ave. after exchanging wedding vows recently in Reno. The benedict is the son of Mr. and Mrs. E. J. Morgan of 1015 Masonic Ave.

Carl J. Larson of Albany is enroute to Sweden via American Airlines where he'll visit his mother, Mrs. Jenny Johnson of Stockholm. His first trip back to the "ole country" in 26 years. ## Civil Service Names Secretary

The organization of the Civil Service Commission was complete today with the naming of Mrs. Lucille Johnson, of 1060 Masonic Ave., as secretary, replacing Jack O'Leary who resigned last month.

Eugene K. Lawler, of 1122 Santa Fe Ave., was elected chairman of the Commission in a meeting last week, with Mrs. Elizabeth Bechtel, of 928 Madason, as vice-chairman.

Other members include Robert E. Murphy, of 1051 Kains Ave.; Kenneth Exley, of 704 Spokane Ave., and Walter Norton, 1447 Washington Ave.

Mayor C. F. Graeber of Albany purchases the first of 7000 memorial poppies to be sold by Albany Unit 292 of the American Legion Auxiliary on Friday and Saturday, May 26 and 27. The sale is made by Barbara Bradlee, 7½, daughter of the poppy chairman, Mrs. Russell Bradlee of 1003 Curtis St., Albany. The crepe paper poppies are being made by disabled veterans at various veteran hospitals. The work not only enables veterans to earn money but is also valuable as occupational therapy.—Gazette photo

## Milestone Club Organizes Here

The Milestone Club, a newly organized club for men and women 45 years of age and over, today had established its State headquarters in Albany at 1161 Solano Ave. where club business will be transacted, according to E. R. Wimsatt, of 845 Madison, spokesman for the group.

Plans for the organization, as chartered under State law, call for vocational, vacation, social and sports entertainment for its members. The club is organized on a non-partisan and non-sectarian plan designed to activate both mind and body for all the "young oldsters."

Samuel A. Smith, of 622 Talbot Ave., has retired as breakeam for Santa Fe after 40 years' service. All his railroadings since April, 1910, has been on the Valley Division, the past 12 breaking on the "Golden Gate" streamliners running between Oakland and Bakersfield.

## Vista PTA Sponsors Food Sale Saturday

Good food and plenty of it will be available to those attending the food sale Saturday at Del Court-ney's under sponsorship of the Vista Primary PTA, according to Mrs. Carlos Pearce, general chairman. The sale will open at 10 a. m.

Assisting the chairman are Mesdames John Noe, Charles Blume, William Orhoa, E. M. Brown and William Sutter.

Plans were completed today for the PTA's Silver Tea to be held 1:30 p.m. Tuesday at the Albany YMCA.

Most of the hand-knit garments to be modeled at the tea were made under direction of Mrs. Lulu Veda Wells, knitting instructor at Denham's Dept. Store. Door prizes, donated by Harold Denham, included a box of Fleischer's Wonderized sport yarn, sufficient for a sweater and an Argyle Soc-pak.

Smith worked for the company in Texas and New Mexico before coming to California.

## Councilmen Considering County Plan

A variety of subjects—ranging from pigeons and bees to dog pounds and pin-ball machines—were covered by Albany City Councilmen Monday night in an explosive three-hour session touched off by the reappointment of Dr. Robert McMahon as city health officer.

Dr. McMahon, who resigned from the health post last week on the grounds of "increase in private practice," was reappointed on a temporary basis until a satisfactory health program could be worked out. The vote was 3-2 with Councilwoman Mrs. Kathie Zahn and Councilman Raymond Cleary voting "no."

Cleary pointed out that he had talked with Dr. McMahon shortly before the meeting and McMahon said that he did not want the post.

Councilmen John Longaker and Jerome Blank said they had talked with Dr. McMahon and that he was willing to continue as health officer.

Meanwhile, Mrs. Zahn was pointing out the "numerous advantages" Albany would receive by joining the Alameda County Health Department.

She said the City is currently spending \$9,796 for its annual health program and that the City could save around \$8,000 by using the county plan "which we are now paying for in county taxes."

Mrs. Zahn said Piedmont, San Leandro, Hayward and Emeryville are among the cities presently using the plan and all were "well pleased."

Dr. James C. Malcolm, Alameda County Health officer, who was present at the meeting, said that if Albany joined the county set-up he believed a district office would be established here. He said the decision would be up to the Board of Supervisors.

Councilman Longaker made the motion that Dr. McMahon be re-appointed until further investigation could be made on the county program.

Councilman Longaker told the Council that the present dog pound must be vacated within the next 90 days. He pointed out that any suitable site "is going to cost money," and that the two locations now under consideration range from \$14,000 to \$17,000.

Then Mrs. Zahn reported that she has had several complaints about the effects of pigeons on local property. She asked the Council what could be done to please both property owners and pigeon owners.

Councilman Blank registered similar complaint on bees. Both pigeons and bees were discussed although no action was taken.

In other business, the Council voted 3-0 to ban one-ball pin-ball machines, labeling them as gambling devices. The new law was introduced by Councilman Longaker on recommendations of Police Chief Stanley Williams.

Councilman Cleary and Mrs. Zahn did not vote.

## Benefit Auction Set for Tonight

Electrical appliances, furniture, bric-a-brac, and new clothing articles will be featured in an "Auction Night" sponsored by the Alpha Chapter of St. Alban's Episcopal Church tonight at 8 at the Parish House, according to Mrs. Wallace Madilla, chairman.

Each member is sponsoring a gala decorated table in which a variety of desserts will be served.

An interlude of Japanese music will be offered by Mrs. Rita Dows, singing both ancient and contemporary music accompanying herself on native instruments.

## Bowling Tourney

Opens August 1

Albany Bowl this week was drafting plans for its first anniversary singles' bowling classic to open here on August 1, according to President Frank Lacy.

Lacy estimated that over \$1000 in prizes will be awarded at the end of the six-week tournament, including a \$500 first prize.

Scratch in the new classic will be 190, with the handicaps based on two-thirds of the bowler's highest known average during the winter league. Bowlers having no winter average may use summer averages if they have completed 21 games or more. A minimum of 140 will be used.

The tournament will be bowled six games across six lanes, with regular ABC rules governing the contest. Bowlers will be permitted to enter twice, although may compete for only one prize.

## ALBANY SOROPTIMIST SCRIBBLINGS

Here we are back at the same old stand after two weeks of silence—hope you missed us. You see, we had so much business that one week wouldn't take care of it all, so we had to spend two.

But Wednesday we were back in the groove, with Bea Raymond as chairman of the day. And what do you suppose she came up with? Two men! First she introduced Harold Weber, one-time manager of the Oakland Chamber of Commerce, at the time when all of Alameda County pulled together to place the Regional Laboratory in Albany.

He reminisced a few moments on those days, but sat down, saying he was really only the preliminary to the main event. This turned out to be none other than John Martin, attorney, who elucidated on courts, and especially on the proposed Constitutional Amendment revision of the Inferior Courts.

In passing, he told us some interesting things about the Russian occupation in Austria. He had to pay to have his passport read, and in order to use a phone, application must be made two days in advance—the implication is obvious—Russians like to know what Americans talk about. There is airmail service, but mail goes out eight days later. Several cards, saying "Hello—having a fine time—wish you were here," which Mr. Martin addressed airmail to himself, were received four months after mailing. All in all it was very interesting. Announcement was made of the installation party for new officers, which will be held June 21st, at the College Women's Club, in Berkeley.

Janet O'Keffe and Claire McGaw dually officiated in leading the group in singing "Happy Birthday dear Grace" (Higgins), and a couple of other songs designed to lighten the hour. Good lunch, good company, Good Day!

## EXCERPTS

neon about the place . . . And we hear Fred Lennox, next door to Karl's had to buy a new camera after taking a family group shot of Rotary last week. Cause unknown but believed to be the intense reflection from Fire Chief Fred Himental's brass buttons. . . . We hear Councilwoman Kathie Zahn's home at 911 Santa Fe has a new coat of paint. It's white.

Overheard at City Council: "My husband and I always went to a movie on Monday night until the new Council took over" . . . "I remember when these Council sessions lasted about 10 minutes. Now they last three hours" . . . "Which one is Mr. Cleary?"

Chuck Dutton, Berkeley pianist and teacher, entertained the Rotarians Monday on the keyboard of his small spinet, equipped with an electronic organ attachment. With the use of small "stops" he demonstrated how you could switch from piano to organ music or use a combination. The organ is compact and may be installed on "most" pianos.

He was introduced by Jack Lloyd, Mrs. Clara Shipper, candidate for the State Assembly in the June 6 election, discussed her platform to members of the Albany Lions Thursday evening at Pietro's.

Cub Pack 3 of Marin School recently had the pleasure of touring the S.S. President Cleveland docked at San Francisco's Pier 42. . . . The following week members of Dens 1 and 6 visited the Langendorf Bakery where they were given generous samples of the cookies being made . . . Making the trip also were Mrs. Irving Barclay and Mrs. N. L. Thomas, den mothers, and Mrs. James Hill, Mothers' Club proxy.

Joseph Vila, president of J. Vila & Sons, El Cerrito contractors, has been appointed to the executive board of Central Valley Bank of California at the El Cerrito branch office. . . . Lloyd Gowen, young Albany flutist, recently returned from Philadelphia where he auditioned for entrance into the Curtis School of Music. He was one of two flutists accepted from throughout the U. S. to study there in the fall.

## Vet Tax Exemption

Albany veterans filing for the \$1,000 tax exemption must apply at the Albany City Hall before 5 p. m. Monday, May 29th, according to City Assessor Myrtle J. McLean.

Veterans who fail to file before that date will have waived their right to exemption for the 1950-51 fiscal year, Mrs. McLean said.

An amendment to the State law permits a veteran's wife to file his claim. The City Hall is closed on Saturdays.

**Economy** Chair cars and coaches on Southern Pacific trains take you there cheaper than you can drive. Rates are only slightly higher than the lowest cost transportation.

**Speed** Chair cars and coaches on S. P. trains provide the fastest low-cost transportation available.

**Convenience** Eat on the train, read your favorite magazine, play cards or plan your next day's business meeting.

## Portrait of an electrical appliance—King Size!

New Rock Creek hydroelectric plant, on Feather River!

This is just as much an electrical appliance as your toaster. We plugged it into the Feather River just two months ago. Instead of making toast, this modern hydroelectric plant keeps busy turning out

169,000 horsepower. That's enough to run all the toasters, and everything else powered by electricity, in the combined cities of Berkeley, San Jose, San Leandro, Fresno and Redding!

This is the 7th giant electric power plant built by P. G. & E. since V-J Day—to bring you vastly increased power—1,156,400 horsepower of new installed capacity—to help you run your household, do your chores.

P. G. and E. service does so much... costs so little

As the West grows, as new homes, farms and factories come to Northern California, P. G. and E.'s resources grow, too. By next summer, for example, we will have an additional 670,000 horsepower ready to go to work.

### For the record

Everything gas and electricity do to make your living easier costs less in California. Even heavy farm chores are cheaper here when electricity takes over. P. G. and E. rates are among the lowest in the U. S.

We're looking for a particular neighbor—

Who wants personalized service...

Likes convenience...

Insists on top performance...

Demands expert care...

We're in your neighborhood to give you the kind of service you want. Stop in and try us next time you're by! We guarantee our work!

HAULING - FREE ESTIMATES

Of America's 19,000,000 veterans of all wars and campaigns, nearly 100,000 were in Veterans Administration hospitals at the end of April.

For many thousands of these, the war truly will never end. They are doomed for the remainder of their lives to remain charges of their government—grim reminders of the tragic price of war.

A grateful nation has seen to it that these heroes—some bedfast for life, others destined to spend the rest of their days in wheel chairs or on crutches—get the best of medical care. Modern hospitals and highly trained doctors and nurses see to their physical needs, thanks to the American tradition that it is the obligation of government to "care for him who shall have borne the battle."

Much as it provides in the way of physical care for its sick and disabled war heroes, the government cannot give them the extra comforts they need to make their drab lives more bearable, and

to remind them that they are not forgotten. That is an obligation which must be assumed by their grateful fellow citizens as an expression of gratitude for the sacrifices they have made, and in recognition of the patience and forbearance with which they are carrying the burden of their handicaps.

The Veterans of Foreign Wars has gladly met this challenge by lending a helping hand in their battle against doubt, boredom, bitterness, and despair. In addition, the Veterans of Foreign Wars, through its service officers in every community, makes sure that the dependents of hospitalized veterans are cared for.

When you are asked to buy a Buddy Poppy, remember that every penny contributed by the American people in this campaign will be spent during the next twelve months for veteran welfare work exclusively. Most of what you give for a Buddy Poppy will be spent right here in our own

community—for the benefit of our own needy veterans and their dependents.

The contribution you make through the purchase of a Buddy Poppy will be spent strictly for these patriotic purposes:

- For the aid, relief and comfort of disabled and needy veterans, their dependents, or their widows and orphans.
- For maintenance or expansion of the V.F.W. National Home for widows and orphans of veterans at Eaton Rapids, Michigan.
- For hospital or individual assistance and entertainment for needy veterans and service patients, and their dependents.
- For rehabilitation, welfare and service work, including liaison service with the Veterans Administration.
- For necessary expenses for military funerals of deceased veterans.
- For acquisition, improvement and maintenance of burial plots and the decoration of graves of veterans and servicemen.
